

***Fuel Surcharge is down to it's
 lowest level in 21 months!**

***** Revised December 30, 2008 *****

We established a baseline price for fuel in mid March, 2007. For each full 10-cent increase to this baseline, the following charges will apply. The current fuel surcharges are in **red**.

<u>Hourly charge per each 10 cent increment</u>	<u>Current hourly surcharge</u>
\$.50 to the DA20.....	[\$2.00 per hour]
\$1 to the C172, DA40, DA42	[\$4.00 per hour]
