Your friends and family deserve a unique and exciting gift idea to celebrate, acknowledge and reward. Show them you care with the Gift of Flight!

Our convenient location at Boeing Field, our 75 years of flight experience and a new fleet of aircraft create a one-of-a kind experience for your friends and family. They choose the time and day, we provide the aircraft and instructor for a flight around Puget Sound...in the left seat. *The Pilot seat!* It's an experience they'll always remember—and thank you for.

We have 3 introductory flight packages to choose from with prices starting at \$149. There is something for everyone from the sporty two seat Diamond all composite aircraft (DA20), to the traditional 4 seat Cessna 172 and finally the

4 seat State of the Art, GPS equipped Diamond DA40, complete with LCD Primary and Multi-function Flight Displays.

Give that someone special in your life something they will remember you for

...give the Gift of Flight.
